

LANDSCAPING MAINTENANCE FRIENDLY REMINDER

Spring is finally here! And, along with Spring comes grass and weeds. This is a friendly reminder to all our tenants that it is your responsibility to maintain the yards, flower beds and any gravel areas on your property.

We ask that you please:

- **Keep the lawns mowed on a regular basis**
- **Keep the lawns watered so they do not dry out (subject to your city's watering schedule in summer months)**
- **Pull all weeds from flower beds and gravel areas around property**
- **Ensure your properties are free of any garbage and debris**

Thank you for your attention to this matter! Should you have any questions, please do not hesitate to contact us.
